Overview

Jewish Galicia and Bukovina Organization aims in its work to document, research and popularise the history and rich cultural heritage of the Jewish communities of Galicia and Bukovina. To this end, we are engaged in four major areas of activity:

- * Developing an online free of charge database on the Jewish history of Galicia and Bukovina.
- * Supporting academic centers for research and studies of Jewish history and legacy of this regions
- * Annual fieldwork teams documenting the physical remnants of Jewish life in Galicia and Bukovina.
- * Preserving the cultural and rabbinic heritage of these Jewish communities.
- * Extending fellowships to Israeli and Ukrainian students who are researching relevant topics for advanced degrees.
