Разговор со старым дедом, у которого до войны был друг Фишель и не очень старой бабкой, его дочерью. (Деда Валлаха тоже звали Фишель и у него был шинок.)

Alex: This Fishel had only a store, had no tavern.

А про кнайпу, про шинок, имел ли этот Фишель шинок?

This is Mendel (Alex shows them a picture).

Alex: This is one that lived here in the kitchen garden, by the straw that grows here.
