

MEOREI GALICIA

by rabbi Meir Wunder is one of the most extensive *Meorei Galicia: Encyclopedia of Galician Sages* and reliable sources of rabbinical genealogy written in the twentieth century. Its six volumes, published from 1987 contain extensively detailed genealogies of Galician rabbinical families, arranged alphabetically by surname according to the Hebrew alphabet. For prominent rabbis of each family biographical material is included, in particular, rabbinical compositions, responsa correspondence, and photographs.
