
General Information

is designed to preserve the once vivid world of *Jewish History in Galicia and Bukovina* The project Galician and Bukovinian Jewry.

Our goal is to save historical documents and vestiges of Jewish material culture in Galicia and Bukovina before these historical records and objects disappear.

We intend to make them available to the wider public as well as to the growing community of researchers worldwide through this website.

This site lets you:

- 1. Discover the great heritage for the Jewish communities of Galicia and Bukovina (in Ukrain);
- 2. Explore through gathered bibliography, documents, photos, notable people and more;
- 3. Learn about our activities of the going-on project and studies of these once great cultures.
